## College Band

### BAND PERFORMANCE FOR HOSTILITIES

31<sup>ST</sup> AUGUST 2018

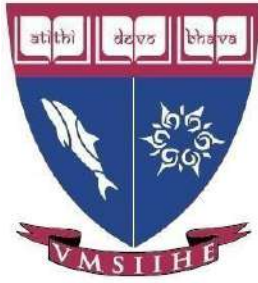

The Cultural Club along with a few of the T.Y. and F.Y. students organized an evening of music and entertainment for the hostilities as well as the in- house faculty and their families on the 31<sup>st</sup> of August i.e. Friday at the Amphitheatre from 8.00 P.M. to 9.00 P.M.

The purpose of this event was to encourage the show of talents of our students in the field of music and also give a chance for the hostilities to bond with each other and have an evening of relaxation and fun.

The evening started off with a delicious meal in the cafeteria followed by the band performance which was beautifully executed by our band members. The atmosphere was filled with fun and cheer. The hostilities and faculty had fun singing along with the band and also dancing to a few numbers.

Since this was a first- time experience of having creating a college band and also performing live for an audience, it was a new learning experience for everyone including the band members and organizing committee. The band members put in a lot of hard work and their time to make this evening a success by staying back after college hours for practices. The T.Y.s and the F.Y.s got an opportunity to bond and encourage each other during these practices. Overall, this was a good experience for everyone.
