F) Comply strictly with and duly implement the provisions of all statutes / laws pertaining to the Employment and Deployment of Staff and payment of their Contractual/Statutory dues, including: The Minimum Wages Act, The Contract Labour Act (Regulation & Abolition), 1970, The Employee State Insurance Act, 1948, The Employees Provident Fund Act, 1952, and any other applicable law for the time being in force.

G) Be exclusively responsible for the maintenance of all statutory records and timely submission of periodical Returns or Reports, which may under the law be required to be maintained and/or submitted to the competent authorities, and furnish a copy thereof to M/s Vishwa Saraswati Society for its records, together with the CONTRACTOR's Monthly Bill.

H) Health & Safety Precautions :

While carrying out contract works at our premises, you shall take adequate precautions to ensure the safety of our existing buildings, structures, pipelines, cables etc. located in the vicinity of the site of your work. Further, you shall also take adequate precautions to ensure the safety and health of your personnel, including providing and using suitable personal protective equipment's like uniforms, safety belts, safety helmets, safety shoes, safety gloves etc. Our person will be available for providing guidance on the specific precautions for different types of works. You shall insure your personnel, tools, vehicles & machine adequately for any unforeseen eventuality arising while working in our premises. You are required to maintain good housekeeping at your site of work. After completion of the work, the area of work should be cleaned and cleared of all unwanted materials. Discipline should be followed by your operators in keeping work environment at institute.

I) Environment:

Protection and improvement of environment is one of the prime objectives of our company's business policy. We expect your total support in achieving this objective. While carrying out the work at our premises, you shall adhere to good environmental practices like conservation of water, maximum re-use of plastic materials, recycling of packing materials, prevention of spillage, control of emissions, reduction of noise etc.

J) Either party may terminate this contract at its discretion by providing a 60 (Sixty) days written notice to the other party of its intention to do so without assigning any reason whatsoever.

K) Dispute Resolution :-

The following provisions apply if any dispute or difference (The Dispute) arises between the parties arising out of or relating to this contract.

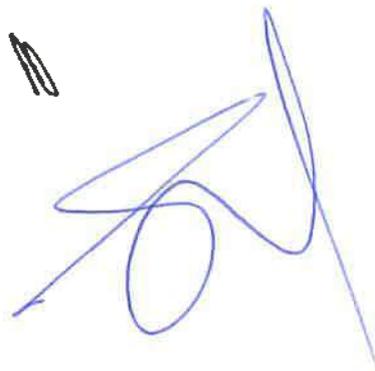

- 1) A Dispute will be deemed to arise when one party serves on the other party a Notice stating the nature of the Dispute (a 'Notice of Dispute')
- 2) Any Disputes and difference whatsoever arising under or in connection with this Contract which could not be settled by the Parties through negotiations, after the period of thirty (30) days from the service of the Notice of Dispute, shall be finally settled by arbitration in accordance with the Arbitration and Conciliation Act 1996, and:
 - a. All proceedings shall be conducted in English, and a daily transcript in English shall be prepared.
 - b. The venue of arbitration shall be in Goa, India.
- 3) Subject as aforesaid, each of the parties to this contract hereby consents to the exclusive jurisdiction of the courts (and of the appropriate appellate courts therefrom) at Goa in any suit, action or proceeding brought in terms of this Contract.

This order is being sent to you in duplicate with a request to return the duplicate copy duly signed in token of acceptance of the order as also the terms and conditions.

Thanking you

Yours faithfully,
for Vishwa Saraswati Society

Director
