POLICY GUIDELINES FOR ADVANCED LEARNERS

1. Advanced learners are motivated to strive for higher goals. They are provided with additional inputs for better career planning and growth through offering special coaching for higher level competitive examinations
2. Motivating them to involve in research projects to inculcate research orientation and higher studies aspirations
3. Helping them to participate in group discussions, technical quizzes to develop analytical and problem solving abilities in them and thereby, to improve their presentation skills. Encouraging them to participate in National International Conferences and also to make presentations
4. Motivating the advanced learners to make quality publications and creative contributions to the academic as well as to the practical world
5. The mentors give higher goals and also make the advanced learners get higher levels of personality development and stress management trainings.
6. They are made the supporters to the average and the slow learners.

POLICY GUIDELINES FOR SLOW LEARNERS

1. The slow learners find difficulty in grasping knowledge and interacting with teacher and classmates. This can also make them more stressed and introvert in the class.
2. They should be treated as any other student in the class but they can be provided extra classes for improvement and achievement.
3. The Department and individual teachers help the slow learners by giving proper guidance and support to them.
4. Organize remedial classes and programmes for them.
5. Conduct extra classes for the difficult subjects (based on the previous test results) in the curriculum.
6. Special attention is given to the students in the tutorial classes, who are identified as the slow learners.
7. Slow learners are specially advised and counselled by a teacher, mentor and the subject expert.

8. Corrective classes are conducted for the weaker students based on the results of class tests.
9. The students are given with training on communication skills, personality development, time management and motivational sessions.
10. Design special coaching sessions or tutorial sessions to bridge the gap between the slow learners and advanced learners are provided.
11. Academic and personal counselling are given to the slow learners by the tutor, mentor and the counselling cell.
12. Provision of simple and standard lecture notes/course materials and special preparation for the exams will be good.
13. Getting the support of the advanced learners to the slow learners in making their learning process more participatory and interesting.
14. Peer education strategies are effectively used.
15. Encouraging the group learning activities and practical will be useful to the slow learners.
16. The support of the alumni is also effectively used to motivation and mentoring to the slow learners.
