DOOR TO DOOR AWARENESS ON SANITATION AND GARBAGE MANAGEMENT

On the 4th Anniversary of Swachh Bharat Mission, we the NSS Unit of V. M. Salgaocar's institute of International Hospitality Education, participated in the 'Swachhta Hi Seva' campaign.

Our NSS Unit with the full hearted cooperation of the Raia Panchayat, adopted the Raia village in order to try and better the lives of the locals in any way possible within means.

On 20th September 2018, at 5:15 pm, we had an orientation programme for our NSS volunteers, on campus, conducted by a recognised Ayurvedic medical expert Dr. Joy Pereira He enlightened our students on the basic steps each one of us can take to prevent easily contractible diseases. He also informed them about the various ways in which we can keep our surroundings clean in order to benefit the society as a whole.

On the next day, 21st September 2018, we conduct a door to door campaign to spread awareness on health and sanitation in Manora - Raia. We divided our volunteers into 5 groups and covered as many houses as possible. The 30 NSS volunteers were accompanied by the NSS coordinators Tanvi Prabhe Malkarnekar, along with Programme officers Savio D'Souza and Rachel Amaral. The local staff of the institution and our principal - prof. I. S. Mirza. The Sarpanch, Madam Esmerelda Gomes, and Inacina Quadros, the Panch of Ward 3, assisted us as well with our campaign on health and sanitation. We left the campus at 4:30 pm and returned back by 6:00 pm, after which they were served refreshments in the cafeteria.

The 'Swachhta Hi Seva' campaign was covered by prudent media and was broadcast on 22nd September 2018 on the local channel.

BEACH CLEANLINESS DRIVE

2nd October 2023

VMSIHE in association with the United Club of Utorda organized a beach cleanliness drive and awareness programme on Monday, 2nd October 2023 – occasion of Gandhi Jayanti. The event was supported by Planet Hollywood Beach Resort and Jamming Goat.

The staff, students and members were divided into 4 groups and allotted different areas to clean. There were around 80 participants in the drive and they cleaned up Utorda Beach. The event was a success and everyone felt content and happy doing their bit in keeping our Goan beaches clean and tidy.

BEACH CLEANLINESS DRIVE

On Saturday, 30th October 2021, a group of S. Y. B.Sc. students as a part of their CSR Program for their subject Management Process 2, got together to rid one stretch of Benaulim beach of garbage that they found littered. Equipped with garbage bags, gloves and caps, the students worked hard for 3 hours picking up litter strewn at the beach. It was segregated into plastic, glass, wet waste and paper. They returned from the litter sweep with 12 garbage bags. They shared their experiences with their classmates and developed awareness on the importance of properly disposing of waste.

"HERITAGE WALK FOR HOSPITALITY STUDENTS"

Organised by: SKAL Goa & Goa Tourism

Date: 27th September 2023 **Time:** 8:00 am to 10:30 am

Resource person for the Session: Ms. Lata Rodrigues

Participants: FY BSc. IHM students

No. of participants: 35

Report in brief: On 27th September 2023 a heritage walk for hospitality students was organised by SKAL Goa and Goa Tourism in Campal, Panjim. The resource person was Lata Rodrigues a storyteller of the company 'Make It Happen' the manager and learning development of Cidade de Goa and she was assisted by Zaira Fernandes and Shiva.

The resource person introduced the topic to the participants by stating that the intellectual property includes the history of Campal, introducing Kala Academy, renowned artifacts, literary works explaining them in detail. We learnt about many things such as :

Kala Academy, fascinated with marvelous facilities such as lovely auditoriums, both indoor and outdoor. Here lots of activities take place such as dramas, exhibitions, functions, conferences, festivals etc.

Campal this name came from Campo de Dom Manuel, Dom Manuel de Portugal e Castro a Viceroy, who took over this place in the year 1830 and made the real development making this a commercial from urban. This place actually starts from the end of the Medical College to Campal, this road is now named as Dayanand Bandodkar Marg, after the death of first Chief Minister of Goa. This area is divided into two parts Residential and Commercial. Now the Goa Medical College (GMC) was shifted to Bambolim in 1993 and is one of the Asia's oldest medical colleges.

The First Capital of Goa was Old Goa and then it shifted to Panjim and with this the famous big old cannon in Campal measuring about four meters long was shifted from Old Goa to Panjim, this was guarded by Ismail Adil Khan in the year 1512 in attempting to capture Goa. Then we were taken to the garden where there is a statue of Francisco Luis Gomes built in 1929 the former best of Advocate not only for Goa but for India too, and a representatives in the Cortes, the Lisbon Parliament. Here we were introduced to Evane Picardo who played the Ukulele and sang melodiously.

The INOX Multiplex was erected in 2004 during the International Film Festival which was the first to be held in Goa. Then we were brought to the Chapel of our lady of Victoria where the graduates used to get their stethoscope blessed during the feast and they still do to this date.

ORGANIC FARM VISIT

2022-2023

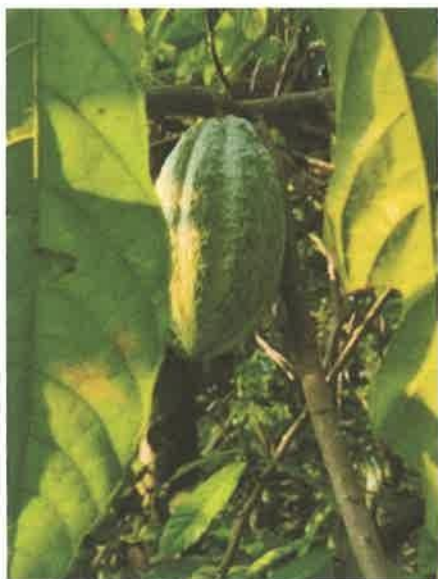

Mr. Laban Receives 10-12 awards every year for his fruits grown. He used to work as a brew master before he started farming. His farm has unique plants which are not available in India, he has many foreign plants, which he multiplies. He said that most plants can be grown in Goa, as Goa has a very good temperature and soil. His farm is spread over 40,000 sq/m. He makes organic manure using local cows' urine, maze flour, basin, jaggery.

AGRIGOA VISIT 2019

As a part of Gardening Club our College's Head of the Gardening Club organized a Visit to 2nd Edition ICOPS INTERNATIONAL PRESENTS, AGRIGOA-2019, NATIONAL AGRICULTURE AND FOOD PROCESSING EXPO.

Where all types of farming, organic products, Vegetables, flowers And Gardening/ Farming Equipment's stalls were there. Our Gardening Head purchased many seeds of Flowers, vegetables, and fruits. Through these stalls we got a lot of information of Different ways to grow the vegetables especially organic way. And the most important we also purchased natural cocopit and organic fertilizer.

During the 1 hour of our visit our gardening club members got a brief knowledge organic gardening.

After this visit, on the same day in the evening, our club members mixed soil with cocopit and dried cow dung. We placed the mixed organic soil in the pots and planted various types of vegetables, fruits, and also flowers.

The main thing is these plants which we planted will be growing without any chemical fertilizer.

After this visit each of a member got the knowledge of organic gardening and information of gardening/farming equipment's. On the basic knowledge from this expo is that our members can easily grow a small organic garden in their houses.
