Academic Bank of Credit Cell (ABC Cell)

Academic Bank of Credit is an academic service mechanism which is a digital/virtual/ online entity established by UGC.

The purpose of the credits is to facilitate students to become its academic account holder and thereby paving the way for seamless student's mobility between or within degree granting HEI's through a formal systems of credit recognition, credit accumulation, credit transfer and credit redemption. This helps in distributed and flexible learning.

The Role and Responsibilities of ABC Cell will be as follows:

1. The cell will register every student admitted to the institute on Academic Bank of Credit Cell.
2. Organize seminar/ workshops for information and publicity about Academic Bank of Credit Cell.
3. Prepare and maintain reports.

A Committee has been constituted with the following members for a period of 3 years w.e.f. 29.07.2024
