**CIRCULAR**

An important aspect of the **National Education Policy (NEP 2020)** is the provision for multiple entry/exit options for students pursuing Higher Education. Academic Bank of Credits (ABC) will play an essential role in this by seamlessly transferring credits.

Academic Bank of Credits (ABC) is a virtual/digital storehouse that contains information of the credits earned by individual students throughout their learning journey. It will enable students to open their accounts and give multiple options for entering and leaving colleges or universities. ABC can also be used as an authentic reference to check the credit record of any student at any given point in time.

To facilitate maximum participation of ABC in all Higher Education Institutes, Goa State Higher Education Council (GSHCEC) & Directorate of Higher Education has invited Mr. Gaurav Khare **National Coordinator, Digital India Corporation, NeGD, MeitY** as the Resource Person to deliver a talk on educational projects such as Digilocker, National Academic Depository and Academic Bank of Credits.

In view of this, all the Heads of the Institutes along with the Examination Incharge are requested to attend the workshop on **6th October 2023** at 10:00AM-04:00PM at Seminar Hall, Directorate of Higher Education, New SCERT Building, Alto-Porvorim.
