- Carefully read each question at the outset of the paper. All queries must be addressed to the faculty within the first 10 minutes of the examination.
- Students are expected to maintain complete silence in the examination hall and should not interact or communicate with their peers.
- Students will carry only their essential stationery like pens, pencils, ruler and simple calculators into the examination hall.
- Bags, eatables, drinks, etc. will not be allowed inside the hall with the exception of a bottle
 of water.
- Cell phones, electronic data banks, scientific calculators and smart/beeping watches are prohibited in the examination hall.
- Students will answer the examination with only blue/ black ball point pens unless informed differently by faculty. Avoid usage of green or red ink pens on the answer sheet.
- Dictionaries will not be allowed into examination hall unless informed differently by faculty.

Answer the following questions

- Q.1) In a hotel, effective labor cost control is essential to maintaining profitability. As a hotel manager, you are tasked with analyzing labor costs and implementing cost control measures. Identify and explain the 5 key factors that influence labor costs in a hotel, and discuss how you would apply strategies to control these costs while maintaining service quality. Provide relevant examples from a hotel setting to support your answer.
 (5 MARKS)
- Q.2) As a Banquet Manager, you have received a booking for an upcoming event. What are the different key points you would consider while planning and organizing this event to ensure its success? Discuss the factors related to guest preferences, logistics, and staff coordination that need to be addressed during the planning process.
 (5 MARKS)
- Q.3) When selecting equipment for a hotel facility, several factors must be considered to ensure operational efficiency and guest satisfaction. As a facility manager, identify and explain the key factors you would evaluate while choosing equipment for the hotel. (5 MARKS)
- Q.4) You have just been employed as a management trainee by leading five star hotel in Goa. Analyse the following Menu (Main course) and apply Menu engineering concept to classify the menu items.
 (10 MARKS)

Item	Number	Menu	Cost	Price	Cost
item	sold	Mix%	per item	per item	%
Grilled fish	800		80.00	210.00	
Sole menuiere	605	10	120.00	250.00
