OBJECTIVES

- To encourage and nurture innovative ideas among the student community.
- To inculcate start-up culture among the student community.
- To Promote and regulate the business incubation activities within the campus.
- To create awareness about the importance of entrepreneurship among the local community.
- To build a vibrant start-up ecosystem, by establishing a network between academia, financial institutions, industries and other institutions.
- To provide cost effective, value added services to start-ups like mentoring, legal, technical, intellectual property related services.
